

Excellence at every turn

JHC - grandimpianti® **Rotary Ironers**

JHC's appointment as the sole distributor for Grandimpianti rotary ironers in the UK enables us to offer you a unique proposition – high quality machines at low prices backed up with JHC's expertise in laundry design, installation and maintenance.

The JHC-Grandimpianti rotary ironers come in widths 1000mm, 1200mm and 1400mm. At the top of the range, vacuum or dryer/ironer models are available. All machines are equipped with:

- Aluminium hot plate for economy and long life
- Ultra fast heat-up
- Reverse feed – can be installed against a wall
- Electronic control to optimise performance and minimise energy consumption
- 25cm diameter roller as standard
- Nomex felt covers
- Variable speed control available
- AV version has vacuum extraction to shorten tumble drying time
- AVL Dryer/Ironer version eliminates tumble drying. Capable of processing polycotton direct from high spin washer
- Larger models available to special order
